

Anaesthesia, Past, Present and Future

Monday, 9th May 2022 at 2.30 pm on Zoom

We are extremely fortunate to have **Professor Tom Clutton-Brock** able to give us this lecture. He has a wide range of expertise and awards, including an MBE in the Queen's birthday honours in 2021 for services to the NHS during the COVID-19 pandemic. This talk will cover the development of anaesthesia in all its forms from early beginnings to the 21st century. It will cover the medicines and equipment involved, the people you will see and those you won't and address many of the entirely reasonable concerns patients have about the procedure.

Cost for the talk is £1 per device. Please book electronically by clicking on the 'TICKETSOURCE' icon immediately below the event on www.u3atvnetwork.org.uk This is by far the best and easiest option. You will receive an acknowledgement immediately and the Zoom link about 48 hours before the event.

If you experience any difficulty, please email the organiser Margaret Sherrington at msherrington2@aol.com giving your name and the u3a to which you belong.

Closing date for applications is Saturday, 7th May

If you have not received the Zoom link by midday on Sunday, 8th May please check your spam / junk box before emailing the organiser as above. PLEASE DO NOT WAIT UNTIL THE DAY OF THE EVENT.
