Dr Booth is working on a project which aims to generate at least 1000 ancient whole genomes from Britain.

Ancient DNA reveals several major episodes of migration and genetic change in the population of Britain over 13,000 years.

Cost for the talk is £1 per device. Please book electronically by clicking on the TICKETSOURCE icon immediately below the event on [www.u3atvnetwork.org.uk](http://www.u3atvnetwork.org.uk). You will receive an acknowledgement immediately and the Zoom link about 48 hours before the event. If you experience any difficulty, please email the organiser Jane Sellwood on [janesellwood09@gmail.com](mailto:janesellwood09@gmail.com) giving your name and the u3a to which you belong.

**Closing date for applications is Friday, 12<sup>th</sup> January 2024**

If you have not received the Zoom link by midday on Sunday, 14<sup>th</sup> January 2024, please check your spam / junk box before emailing the organiser as above.

To receive notification of forthcoming TVN events as soon as they are published, please email [events\\_info@u3atvnetwork.org.uk](mailto:events_info@u3atvnetwork.org.uk)
